

LEGNANO APRIL 28-30, 2017

Dear Director,

The Jubilate Pinat Dance School of Legnano (Milan, Italy) is pleased to announce that the 1st Festival “Dance from the World” is being organized in Legnano starting Friday, April 28. The event will take place in the just renovated Teatro Tirinnanzi.

The Festival will be a great opportunity for your students to perform on a top-rated stage.

The Festival will also offer the possibility to visit the many touristic and cultural beauties in our territory. For this reason we have also organized three days of interesting initiatives that are better described in the addendum.

Enclosed you will find programs, regulations and registration form.
